Dear Customer,

Please note that a select number of resources are currently under revision. We are updating all literature to reflect the Association's 2008 Clinical Practice Guidelines.

The majority of these materials will be available for order by early November. We apologize in advance for any inconvenience this may cause and invite you to return to diabetes.ca in the near future to re-order.

In the interim, to confirm a product's current availability status, please refer to the individual product listings on the Online Order Desk accessible at orders.diabetes.ca

Sincerely,

Canadian Diabetes Association Order Desk
